I feel that my daughter's education specific needs are being dealt with, from being identified to putting strategies in place.

My child loves going to school and he thinks of his teachers as his friends. He is taught really well and if there are any problems they are always sorted out the same day. Brilliant school.

All staff I encounter are incredibly helpful and friendly – they all set a wonderful example for the children. The reception staff are particularly great – a credit to the school! My children feel safe and well looked after and always look forward to coming into school.

I just wanted to use this opportunity to thank every member of staff that has been helping X. This is an amazing school and I am proud that X is a student here. Thank you all so much, it is really appreciated. Year 4 Mum

Very pleased with the way the school is run.

Very happy!

My children are very happy in the school, I can see great improvement in their school work. Thank you for the support.

We have the best teacher in the world! X loves her so much and she has a big dream in becoming as good as Mrs Edwards. Thank you so much.

I love this school very much. My 2 sons are doing so well and improving in everything, I'm so happy with them and it's only because of this school. Thank you so much.

X is happy at school, she enjoys coming and we are very happy with the academic progress she has made, especially her reading and writing in class 2. We have encountered a few little issues but feel that we can work together with school to address things. Would like more social opportunities for X to thrive, drama club didn't suit her but would like to try another club. I do think that at times communication could be improved, there have been a couple of occasions when X has been off and missed letters – these do not appear to be given on return, hoping that Parentmail will help! X really enjoys Minnie Vinnies with Mr Gilchrist! X is very artistic and we would like this to be encouraged and celebrated as well as academic achievements.

My child has had an amazing time at St Mary's. He looks forward to school every day and has progressed academically as well as socially. Thank you.

We love St Mary's, such a fab school. The staff are the BEST not only do they care for X, they care for our family
